

Ovation Arm Sit-Stand Length

The Ovation Sit-Stand Arms maximize ergonomic support for both seated and standing positions. The Ovation includes a patented dial tilt gauge and a height gauge to provide specific ergonomic adjustments.

Features	Benefits
Includes a patented dial tilt gauge	Shows the angle of the tray as tilt knob is turned from -15° to +10°
Incorporated height gauge	Marks user's best ergonomic keyboarding position for repeatable location
Increased height range from 8.38" above track to 5.88" below track	Comfortable positioning at either seated or standing posture
Enhanced, patented Lift-N-Lock™ braking mechanism	Easy adjustment of height of keyboard tray Superior lock-up, increased stability and improved accuracy of tilt position
Curved neck	Allows users to be closer to the desk in seated and standing positions
360° swivel	Keyboard tray moves easily from side to side for more flexibility
Positive tilt lockout option	Locks out positive tilt
Dual swivel option	Keyboard can always be parallel to desk even when corner mounted
Wherever possible, recycled materials are used to manufacture components Designed for disassembly and 100% recyclability	Environmentally friendly
