DOS Booth

The DOS Booth is a customizable, mobile meeting space. With a footprint that will fit through any standard doorway, there is no installation required. The Dos Booth ships fully assembled on castors.

Features and Benefits

1. Wall Height

Standard height is 50" or 63". For visual privacy high-pressure laminate is standard, whiteboard laminate, sound dampening material or fabric-covered tackboards are also available to be added to the back wall.

2. Upholstered Back and Seat

Comfortable and convenient mobile meeting room or seating area for two. Cushions available in various coverings.

3. Removable Canopy

Easy to add and remove canopy made from sound-dampening material available as an option. Increases height to 76"

4. Power and Data

Access to 15 amps of power available through a detachable power bar with six electrical outlets, four USB charging ports and a fifteen-foot power cord that can be plugged into any regular outlet.

5. Worksurface

30"W x 27"D fixed height table is standard. Space on the end allows the worksurface to be wheelchair accessible. An additional pullout worksurface that is 24"W x 14"D can be added to the end to create space for a third person.

6. Back Wall

Back wall is hinged to allow it to be folded down so that booths can be added together for larger groups. High pressure laminate comes standard. Whiteboard, sound-dampening material or fabric-covered tackboards are also available.

7. Booth to Bench

Remove the worksurface to transform the booth into a bench, at no additional cost
