

Adapt quickly to your changing workspace.™

## Mobile Wall - Aluminum Frame

The Aluminum Frame Mobile Wall allows for quick separation of space. With a bracket that allows for different configurations modifying space is quick and easy.

## Features and Benefits

### 1. Sizes

Panels come in standard heights of 52" or 76" and widths of 24" or 48".

Walls can be made smaller to any custom dimension at no additional cost

### 2. Finishes

Panels come in any of our 15 standard laminates or whiteboard laminate, ezoBord, Acrylic or Plexiglas

### 3. Configurations

Our brackets allow for multiple configurations including T-shape, L-shape, or 45 degree angles

### 4. Additional Options

Additional options include: Anti-Microbial spray, hang on whiteboard or accessory rails, power troughs and brackets for hanging TVs or monitors

### 5. Casters

Mobile walls come standard with casters that are 2.5" in diameter with grey rubber wheels that swivel and lock. The mobile wall can be ordered with castered legs that allow it to be used as a stand alone wall to create visual privacy between two stations or walls
