Mobile Wall - Panel

The Panel Mobile Wall allows for quick separation of space. With a bracket that allows for different configurations modifying space is quick and easy.

Features and Benefits

1. Sizes

Panels come in standard heights of 52" or 76" and widths of 24", 48", 60" or 72".

Standard wall heights and widths can be adjusted for any dimension up to 80" in height and 90" in width please ask us for pricing

2. Finishes

Panels come in any of our 15 standard laminates or whiteboard laminate. Standard edgeband is white.

3. Additional Options

Additional options include: Anti-Microbial spray, hang on whiteboard or accessory rails, power troughs and brackets for hanging TVs or monitors

4. Configurations

Our brackets allow for multiple configurations including T-shape, L-shape, or 45 degree angles

5. ezoBord

Add stick on ezoBord in various shapes and colours to add both design flair and acoustic benefits

6. Casters

Panel walls come standard with casters that are 2.5" in diameter with grey rubber wheels that swivel and lock. The mobile wall can be ordered with castered legs that allow it to be used as a stand alone wall to create visual privacy between two stations or walls
