

SWIFTSPACE

Adapt quickly to your changing workspace.™

Shift

The Shift is a customizable, mobile, all in one unfolding workstation. The Shift ships fully assembled and installs with no parts, pieces or tools and stores at 15% of it's original footprint.

Features and Benefits

1. Wall Height

Standard heights are 29", 41", 52" and 66". Panel Extenders can be added for additional height and privacy. Various material options available.

2. Visual Privacy

High-pressure laminate comes standard. Whiteboard laminate and stick on ezoBord panels are also available

3. Worksurface

Standard depth is 24". Standard lengths are 60" and 72" and 96". Custom lengths available. Straight surface comes standard. Option to add Flipover Surface.

4. Height Adjust

Option to convert surface to electric height adjust by adding plug and play control box. Height ranges from 21.9" to 48.1"

5. Accessory Rail

For mounting monitors, shelves, paper slots, and binder storage.

6. Power and Data

Option to add power bar with 15 ft power cord for flexible connection to wall, floor or other stations. For longer runs, a 4-circuit 80 amp quick connect/disconnect power system can be added in the Power and Data trough (which comes standard) Separate compartment for running up to 40 data cables.

7. Accessories

Height-adjustable keyboard arms and trays available for add-on

8. Mobile Storage

Complete line of mobile pedestals, storage towers, and lateral files available.

9. Corner and Castor Covers

Corner and castor covers come standard.

10. Mobility Lock

Stations can be fixed in place using a castor lock or linking plate to link to next station. Locks can only be removed with a screwdriver. Option for tamper-proof screws. (Stations can also be ordered with adjustable glides instead of castors at no additional charge.)
