

## Strata

The Strata is a customizable, mobile, focused workspace. With a footprint that will fit through any standard doorway, there is no installation required. The Strata ships fully assembled on casters.

## Features and Benefits

### 1. Wall Height

Standard heights are 41", 52" and 66". Panel extenders can be added for increased height, various material options available for panel extenders.

### 2. Worksurface\*

Standard depth is 24" and 48", 60", 66" or 72" wide. Custom lengths available. Work surfaces come standard with notch and centered grommet. Option to add electric height adjust surface which ranges from 21.9" to 48.1"

\*These are the overall dimensions of the unit.

### 3. Visual Privacy

Semi-clear poly comes standard. High-pressure laminate, whiteboard laminate, printed acrylic, sound-dampening material or fabric-covered tackboards are also available for upper panels.

### 4. Storage

Under surface box/file hanging storage with lock, above surface with adjustable open shelving, or adjustable shelving with lockable door.

### 5. Accessories

Height-adjustable keyboard arms and trays available for add-on

### 6. Accessory Rail

For mounting monitors, shelves, paper slots and binder storage.

### 7. Power and Data

Option to add power bar with 15 ft power cord for flexible connection to wall, floor or other stations. For longer runs, a 4-circuit 80 amp quick connect/disconnect power system can be added. Separate compartment for running up to 40 data cables.
