Subject: Notice of 5% Commercial Price Increase Effective May 1, 2026

Dear Valued Customer,

We would like to inform you that Swiftspace Inc. will be implementing a 5% commercial price increase, effective May 1, 2026.

This adjustment is necessary due to recent supplier-driven cost increases on several key materials, including steel, aluminum, and laminate-based components. While we have made every effort to mitigate these impacts internally, these sustained increases require a pricing adjustment to ensure we continue delivering the quality and service you expect from Swiftspace.

Please note that all purchase orders received at current pricing will be honoured, provided the product ships on or before May 31, 2026.

We value our partnership and appreciate your understanding. If you have questions regarding this change or would like assistance planning upcoming orders, please contact your Swiftspace representative.

Thank you for your continued support.

Sincerely,
