

## Dual Upper Mounting- Height Adjustable Arms

### Features & Benefits

Flexibility and more options for the end user with a simple, easy-to-use Allen wrench adjustment

Double Extension models allow 24" of back and forth movement. Arm folds back to post for more desk space

Supports a 20 lbs load capacity (per screen)

Options are available for panel, wall and slatwall mounting configurations

Desk clamp and grommet mount hardware are included to minimize SKUs

Clamp and grommet adjustable to fit most desks and work surfaces

New cable manager keeps all cables hidden

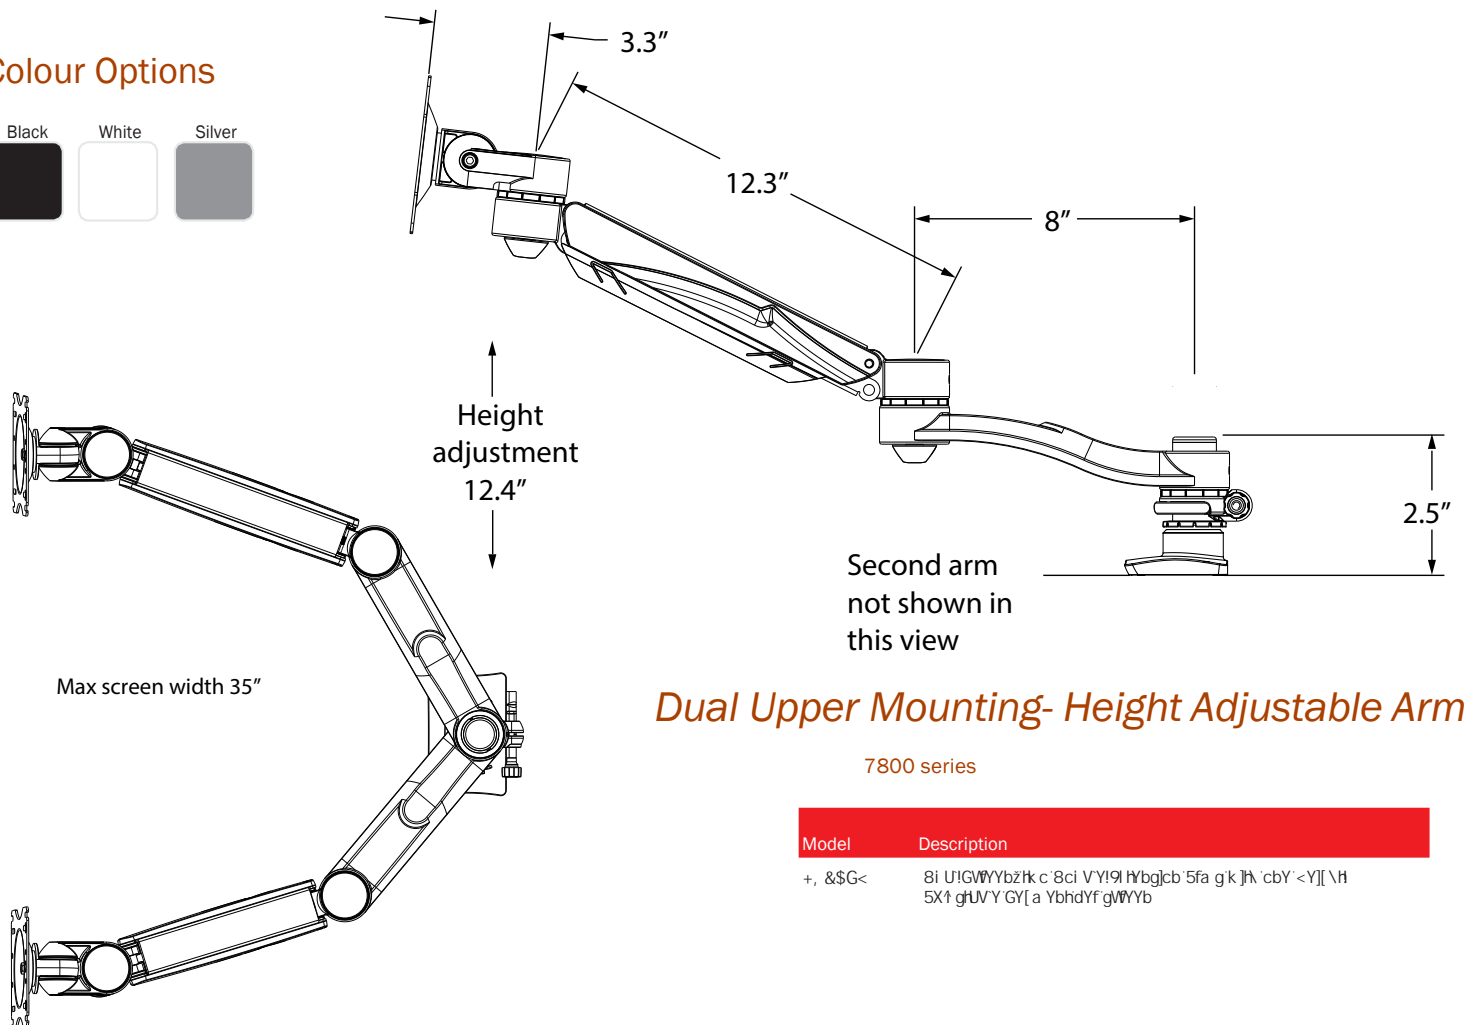

Monitor mounting bracket, with Quick Connect, contains both 75mm and 100mm hole patterns to comply with VESA standards

Allows for a maximum 35" screen width

7820SH
